## ANNUAL HOLIDAY BAKE SALE & BAZAAR!!

Holidays are creeping up on all of us, and it is time for our group to hold its 14th Annual Holiday Bake Sale & Bazaar on Saturday, November 18, 2017 at the Crossroads Museum!

The Society is requesting your help and support with this fundraiser by baking for the sale and/or working at the event itself. The more the merrier! A fundraiser is only as good as its volunteers and support! Please consider helping us out! Our big seller is cookies, smaller quick breads, etc. We are happy to accept whatever you can donate!!!

Bakery goods can be dropped off at the museum on Friday, November 17th between 10am-4:00pm. No need to package cookies as we create the packaging with other cookies to create a mixture. Any other items can be brought in already packaged.

## OTHER ITEMS OF INTEREST

Another new themed wall display is being planned and underway; the theme will be about SPORTS in Saukville. The project should be completed by the end of 2017. Stay tuned via our website or Facebook for updates on the grand opening of the new display!

We are in the process of hosting another “Walking Tour” of Saukville! A local historical photographer from Cedarburg came to our group offering to take certain photographs of historical nature as gratis to our group. He photographed various areas inside the old McGinley home on Green Bay Avenue and the photos were donated to us. The photos will be used to help promote next year’s walking tour of the downtown area of Saukville!

Speaking of history, members and friends are reminded that when/if you are deciding to downsize your home items, please keep the society in mind if you might have anything relating to Saukville that it

can be donated and written off.

Recent donations have been received by the following:

1. Helen Albinger Family—10 large albums containing various news clippings of Saukville memories and other events important to the family.
2. Glenn and Kathy Wille of Cedarburg donated an oil lamp that was produced for the 50th Anniversary of Tri Par Oil Co., Inc. The lamp was produced by Lamplight Farms in Menominee Falls WI.

Our many thanks to those people who help to keep Saukville’s history alive!!

## KUDOS!!

We wish to thank the following individuals for helping the Society in many ways: Member, BILL KUPKOVITS for his faithful service doing maintenance to keep our building safe; neighbor, Mitchell Schultz for his past help with snow plowing during the 2016-17 season; and JOHNSON BRASS Maintenance Crews for helping with lawn mowing during the summer months.

### DID YOU KNOW...

SAUKVILLE AREA HISTORICAL SOCIETY MEETINGS are held on the 3rd Monday of the month at the Crossroads Museum building at 6:30pm, except January thru March.

## A FOND FAREWELL...

This past year the society has lost one of its faithful lifetime members this past year who worked tirelessly on doing brickwork inside the main room of our museum, placed steel doors on the north side of the building; worked alongside with many other projects including helping with tiling the floor in the bathroom and hanging a new door to that room.

**GENE LINDEN** of the Town of Saukville will always be remembered for his hard work and willingness to do these things, including paying for many of the items needed. Thanks, Gene.

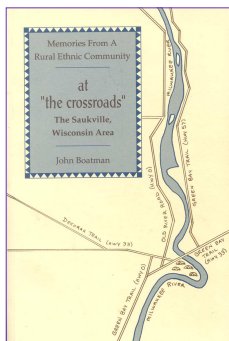

## GOLF OUTING FUNDRAISER FOR THE SAHS

In September 2018, a Golf Outing fundraiser will be offered by an interested party for the society at the Saukville Bog Golf Course in the Town of Saukville! More details as they are formulated! Get your clubs heated up for the event!

## 2018 DUES NOTICE

The 2018 dues are now due so that members are set to go after December 31, 2017. Please see the enclosed green membership renewal form that is included in this mailing.
